Leanne Feather, owner of Right at Home will share the benefits of non-medical in-home care and assistance for the elderly and disabled adults.

Right at Home is an international home care organization that provides care to seniors and others who wish to maintain their independence. Learn about the benefits of in-home care, identifying people that could benefit from it, and funding sources that can assist in affording it. AARP reports that 90% of seniors prefer to remain in their homes. In-home care and assistance can give seniors a more affordable, more dignified alternative to moving into a residential facility.

Friday, January 2 - 8:30 am: Introductions - very much abbreviated business meeting - cross-training programs - new business - announcements - adjournment and networking

We’ll be meeting at Good Samaritan Hospital, 4th & Walnut Streets, Lebanon, PA. We’ll meet in classroom 2.

It’s important for “fully-functioning” communities to have awareness and on-going training/cross-training practices and cross-referral between Link partners and local service providers. The monthly cross-training is combined with the monthly community partner’s meeting.

Please let us know if you plan to attend - call / text 717.380.9714 or email blllink@mail.com by December 30. If you require accommodations, please contact the coordinator.
