

PennCares Support Services is offering:

The Dementia Live Experience

Thursday, May 2, 2019

Country Meadows of Lancaster

1380 Elm Avenue
Lancaster, PA 17603

Description: In this high-impact Dementia Live experience, you will be immersed into life with dementia, resulting in a deeper understanding of what it's like to live with a cognitive impairment and sensory change. You will be empowered to build new bridges of communication. Dementia Live is an inside-out catalyst to change for those who live, work and visit in your community. Dementia Live is experiential learning that simulates cognitive and sensory impairment, giving participants a real-life simulation of what it must be like to live with dementia. Through the hands-on learning experience participants gain greater awareness and understanding of the constant struggles affecting persons with dementia as they go about their daily lives.

Target Audience:

This session is for professionals working in the aging care systems, or family members or community-based groups and Alzheimer's Support Groups.

Here's What People are Saying About the Training:
