

PennCares Support Services is offering:

Understanding Sexuality & Dementia

May 7, 2019

9:00 AM – 11:00 AM

Legend of Lititz Senior Living

80 West Millport Road
Lititz, PA 17543

Description: When mind and behavior are altered by dementia, and normal abilities decline, sexual desire and the need for intimacy may still exist well after the loss of normal abilities. This presentation will focus on both the reasons and possible triggers for “sexually inappropriate behaviors” in persons with dementia and on caregiver interventions.

Target audience: Professionals, family caregivers, and the family and friends of individuals with dementia. Also, those professionals who may have contact with dementia patients on a daily or weekly basis.

Cost: \$39/person

Registration Opens March 1, 2019
