

monthly Monday Death Cafe continues

Won't you join a few others you've not yet met as people like you, often strangers, gather to eat cake, drink tea (or coffee or wine) to discuss death. Comfortable, casual, confidential, caring, concerned and convenient conversations here.

The Death Cafe objective is "to increase awareness of death with a view to helping people make the most of their (finite) lives."

A Death Cafe is a group directed discussion of death with no agenda, objectives or themes. It is a discussion group rather than a grief support or counseling session.
